

Sponsorship

LilySarahGrace is proud to collaborate with individuals as well as local, regional, and national businesses to present events, workshops, grants, and other vital community programs!

Sponsorship is an exciting way to showcase your support of the arts in education while being recognized by a growing and engaged audience. All funding opportunities will be tailored to meet the sponsor's unique needs and offer a variety of benefits at several giving levels.

Program Sponsor

Each year we host a wide range of programs that provide attractive sponsorship opportunities and brand alignment to target audiences. Opportunities range from seed funding for new initiatives to ongoing philanthropic needs, such as our LSG Professional Development, workshops, our grants in the form of supplies to teachers in underfunded public schools, and our partnerships with the University of Charlotte, NC for example.

\$20

for one child to have art supplies for a semester

\$75

to sponsor a teacher for a 3hr LSG PD workshop

\$450

to fund a stepping stone grant

\$1,250+

to bring LSG PD to your school!

Event Sponsor

Being a sponsor of a LilySarahGrace event is a creative way to express your values! Whether it be at our Annual LSG Los Angeles Craft Fair, one of our Charlotte community builders, or our NYC art events, being one of our sponsors is a sure way to let the thousands of our supporters know that you and /or your business care about ensuring that ALL children have access to enriched education.

Thank you to all of our sponsors for making this work possible.
